

REMARKS

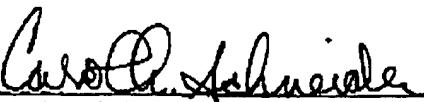

Applicants thank the examiner for the telephone interview of February 28, 2006. Applicants have canceled claims 11 and 12, and have added claims 14 and 15. Claims 14 and 15 are claims to processes for making the allowed products of claims 1-10 and 13. Claims 14 and 15 contain all of the limitations of allowed independent claims 1 and 13.

Applicants note that while claim 8 was previously canceled, the Notice of Allowability listed claims 1-10 and 13 as allowed. The Notice should have listed claims 1-7, 9, 10 and 13 as allowed.

CONCLUSION

Applicants believe that the new claims 14 and 15 are allowable under MPEP §821.04(b) as claims in an amendment to add only process claims which contain all the limitations of an allowed product claim and which meet the requirements of 35 USC §§101, 102, 103, and 112. If the examiner believes it would promote the progress of this application, he is invited to contact the undersigned at her direct line ((650) 251 7702) or by email at schneider@reedpatent.com.

Respectfully submitted,
